To celebrate its 40th Anniversary in 2015 ADEE introduced the ADD Scholarship Programme.

The programme which is aimed at member schools who are supporting the advancement and research of dental education, teaching method and practice.

Since its inception €20,000 has been distributed among 6 ADEE members who are promoting dental teaching excellence.

Full application criteria and details of the application process are detailed overleaf.

Founded in 1975 as an independent European organisation representing academic dentistry and the community of dental educators, ADEE has played an important role by enhancing the quality of education, advancing the professional development of dental educators and supporting research in education and training of oral health personnel.

The ADEE Scholarship Programme is another step to support the advancement of academic endeavors in dentistry.

ADEE 40TH ANNIVERSARY SCHOLARSHIP PROGRAMME

Learning together to improve oral health and quality of life
INTRODUCTION
For 2016–2017 the ADEE Executive has decided to evolve the ADEE Scholarship programme to not only place emphasis on individual faculty who are taking Masters of Doctorate level degree programmes focussing on Dental Education, but to also recognise the efforts of our Member Schools who are enabling and promoting a higher standard of dental education within their faculty.

€10,000 is again being ring-fenced for 2016–2017, this year to be distributed among projects put forward by an ADEE member schools who can demonstrate a commitment to the research and advancement of dental education. Projects may be institutional (development and implementation of new teaching methodologies) or of an individual nature (e.g. thesis-related).

The ADEE Executive therefore invites applications from ADEE Members, (via their Dean) which outlines the Schools commitment to dental education research and the advancement of dental teaching practice.

Evaluation and Application
The evaluation committee will evaluate applications by:
1. assessing how schools enable such commitment in practice and
2. how any scholarship awarded to the school would be utilised to advance the schools strategy for advancing dental education.
3. the schools involvement and commitment to ADEE

Completed application forms should be sent to scholarship@adee.org by 31st October 2016 to be included in the evaluation process for the 2016–2017 awards period.

Applications will only be accepted by completing the application form and providing the relevant information. All applications must be accompanied by a letter of application and support from the Dean.

Conditions of Application
I. The institution must be a member of ADEE at the time of application and the time of award with no outstanding dues.
II. As part of the application process the applicant commits that if successful in securing scholarship the member will write a report on their experiences, present a poster at an upcoming ADEE annual meeting and acknowledge ADEE in any relevant publications.
III. The recommendation of the Scholarship committee is binding and no appeals will be entertained.
IV. The award is at the discretion of the ADEE Executive committee.
